PROFESSIONAL PROFILE

I am a dependable person who is highly dependable when it comes to time management and working to scheduled deadlines, able to handle multiple tasks at once whilst maintaining an energetic and motivated approach. I can also adapt to different workstyles which best aid peers whilst understanding the importance of clear communication whilst working within teams.

EDUCATION

UNIVERSITY OF LINCOLN 2017- 2020

I graduated with a bachelor of Computer Science from Lincoln University. I graduated with a First Class Honours Degree. Modules studied are available on request.

NORTH LINDSEY COLLEGE 2015 - 2017

I studied a Level 3 BTEC Extended Diploma in Computing at North Lindsey College. I completed this with a grade of DDM. Modules studied are available on request.

THE VALE ACADEMY 2009 - 2015

I studied at The Vale Academy and left with 10 GCSE's (A*-C) Including Maths, English, and Science.

WORK EXPERIENCE

NIGHT LIFE STRANGERS 2020+

Having completed University I volunteered part-time with an indie development team. This experience within the industry helped gain essential skills in C# and Unity development.

SODEXO 2019+

During term breaks and post university I worked as a cleaning operative. I have refined important universal skills such as working within a team, organisation, and management.

PHILLIPS 66 HUMBER REFINERY 2016

During college I enrolled in work experience with the IT department of an Oil refinery in the local area. From this I was able to understand the importance of teamwork and communication in the IT industry.

SKILLS

- Programming in C#, C++, Python, SQL, HTML, JavaScript and jQuery as well as other languages.
- Experience with both Windows and Linux environments.
- Computer Building, repair and networking.
- Unity Engine.
- Microsoft Office.

INTERESTS

- I spend a lot of free time programming personal projects and have a keen interest in building ideas from the ground up.
- I have spent a considerable time in the last 7 years building and maintaining computers for both friends and family.
- I have a acute interest in reading to aid both my creativity and expand my knowledge.
